

# What's behind the photo?

How do you think the people in the photo feel about each other?

THINKING OUTSIDE THE BOX

What do you think was going on just outside the frame?

Does the location of the photo have any special significance?

If it is an old photo, can you work out the period from the style of dress, hair styles, mode of transport etc.?

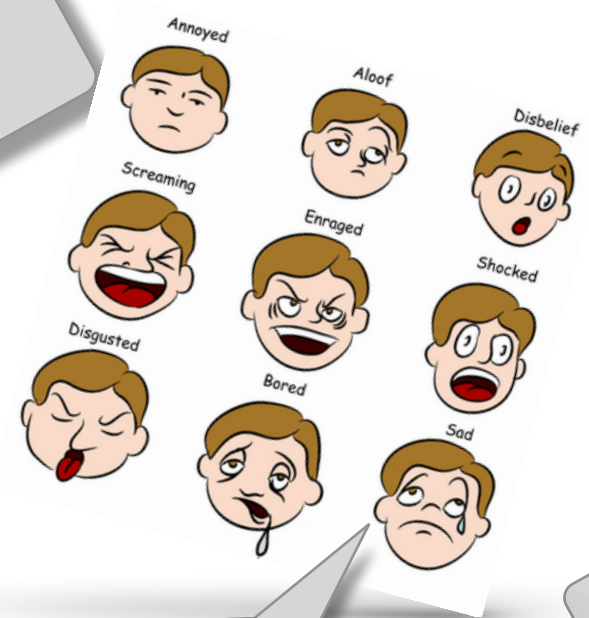

Is it a happy or sad occasion?

What do you think the people in the photo are saying to each other?

How do you feel when you look at the photo or talk about the photo?

Do the facial expressions give away anything about the mood of the photo??

Do you know or can you imagine what happened just before and after the photo was taken?

Do you know if anything or anyone important is missing?

Was there anything significant going on in the world at the time of the photo?
